**NOTE FROM THE NURSE** NYS mandated physicals and immunizations must be completed and submitted to the health office ASAP. Please keep the health office informed of any changes to your child's health or new medical conditions, so that we may best serve your child. For documents and more information, please visit [www.csat-k12.org](http://www.csat-k12.org) -- *Services -- Health Services*.

**WHEN TO KEEP YOUR CHILD HOME:** A child who is sick will not be able to perform well in school and is likely to spread illness to other children and staff. We suggest making a plan for childcare ahead of time so you will not be caught without a comforting place for your child to stay if he/she is ill. Our school policy states that you should not send your child to school if he/she is experiencing the following:

*Fever, vomiting or diarrhea in the past 24 hours • chills • sore throat • strep throat (must have been taking antibiotic for at least 24 hours before returning to school) • bad cold, with very runny nose or bad cough, especially if it has kept the child awake at night • head lice (until your child has been treated according to nurse/doctor instruction).*

## Family Support Center

[www.csat-k12.org](http://www.csat-k12.org) -- *Services -- Family Support Center*

CSAT's Family Support Center is here to assist students and families alike. Built to support and strengthen the CSAT community, computer labs, counseling, address changes, uniform purchases, transportation and enrollment services are all available at the Center. Stop in today!

Free, confidential services, including family counseling, are available Monday through Friday  
8 a.m. - 4 p.m. Call for after-hours availability.

*Family Support Center (317 Vulcan St.)*
