EMERGENCY COMMUNICATIONS

CSAT takes emergency preparedness very seriously. We have a comprehensive school-wide emergency response plan that assists our staff and public safety partners to respond swiftly should an emergency occur.

In the event of a lockdown, lockdown, an off-site evacuation procedure or drill, or a school closing, a school administrator will send a *One Call Now* voice message with information and instructions, if needed. Also, CSAT's website will have up-to-date information.

BY DEFINITION

These terms are used by school officials during an emergency situation to inform staff, students, and parents of the appropriate response actions that should take place.

Visit www.csat-k12.org/safety for more information on safety.

SHELTER IN PLACE

May occur during a medical or police emergency, or a chemical threat outside. Students and staff are not allowed in hallways and cannot leave their respective rooms. Classroom activities continue but no activity allowed in the hallways, including transitions.

LOCKOUT

Is a response to an actual or potential threat from outside of the school building. This could be related to criminal activity or a fire nearby. All doors and windows are locked, and no person is allowed in or out of the building. All activities within the building, including transition to classes, continue as normal.

LOCKDOWN

Is initiated when there is an actual or imminent threat in which students should be kept in locked rooms within the school building. This may occur if there is an intruder in the building, a hostage situation or biological threat. Students are kept in locked rooms with zero classroom or hallway activity until notified otherwise by emergency responders or law enforcement personnel.

EVACUATION

Each building has procedures for a partial or complete evacuation, including a designated safe location to which students and staff may be transported. If students are not released from the off-site location, parents will be directed where to pick up their children and will be required to sign out their child. A student will be released only to an adult with proper identification and who is documented as an emergency contact.

CHILD ABUSE HOTLINE

Section 409-1 of the New York Education Law, which became effective January 17, 2017, requires schools to post English and Spanish information for the toll free number operated by the New York State Office of Child and Family Services. Should you suspect or have knowledge that you or a child is being abused or maltreated report it immediately by contacting:

OCFS WEBSITE: <https://ocfs.ny.gov/programs/cps/>
TOLL-FREE: 1-800-342-3720

If you believe that a child is in immediate danger, call 911 or your local police department.

FAMILY SUPPORT CENTER

The Family Support Center's (317 Vulcan St.) goal is to foster family communication and well-being, healthy youth development and success in school. In order to accomplish this, there are a spectrum of services available, including:

- Individual and Family Counseling
- Support Groups
- Parenting Groups
- Referrals and Information to Outside Community Resources

TRANSPORTATION SERVICES

Where your student's District of Residence provides transportation, the District of Residence is responsible for the safety of your student and all students riding their school buses. The District of Residence has the right to regulate students' conduct on the bus for the safety of all, via its Code of Conduct.

Each CSAT student must familiarize themselves with their District of Residence's Code of Conduct and comply with its requirements. Each District makes its Code of Conduct publicly available - usually found on that District's website. If you cannot find your District of Residence's Code of Conduct, please call the Superintendent's office of your District of Residence. CSAT's Code of Conduct is available on our website: www.csat-k12.org.

BULLY STOP

CSAT is committed to making our school a safe place for all students. As a part of that commitment, bullying - in any form - is not tolerated. **The best way to prevent bullying is to report it when it occurs.** Our website offers an easy and anonymous way to report bullying. Each reported incident is taken seriously and is investigated by staff. If you have an incident to report, visit our website at www.csat-k12.org, and click on the Bully STOP link.

INFORMATION DISCLOSURE

Under New York State law, CSAT can release personally identifiable information ("directory information"), but does so on a limited basis, without prior written consent. Limited Directory Information Disclosure means that CSAT may limit disclosure of its designated directory information to specific parties or specific purposes, or both.

Items typically released includes honor roll lists, displays of individual art work, or student information to school approved fundraising groups. **CSAT will not** disclose Directory Information to outside vendors for commercial purposes.

Directory information includes:
