

# Mrs. Callari's Second Grade Supply List

Please LABEL all supplies with your CHILD'S FIRST AND LAST NAME

I will not be doing shared supplies this year (with the exception of pencils). **Students will only be allowed to use the supplies they bring into school.** I know how expensive it can be, especially if you have more than 1 child!! I have found that Walmart and Target offer the best prices for supplies beginning in late July through early August. In most cases, their prices are better than the deals that can be found at Dollar Tree or Family Dollar, and the quality of the supplies should last your child through the school year. Thank you parents!
