Dear Parents/ Guardians:

In these everchanging times, I wanted to take a moment to thank you for your continued support. I am honored to work alongside you, your child(ren), and the amazing staff at CSAT. It has been incredible to have our students in person, learning, five days a week. I am so proud of the kids for all their achievements and growth, and appreciative of our families for trusting that we hold the safety of our students at the forefront of all we do. Our goal remains to have in-person learning, five days a week, for the entire school year.

With the recent weather-related closures, we have experienced, and ongoing reflection of ensuring top academic priorities, CSAT has decided to implement our student computer distribution plan for the K-5 building. Although in-person learning remains the instructional design, we do want to be prepared should we face additional situations out of our control. If school were to close, and remote instruction would be implemented, families would be notified via phone message and social media outlets.

The student laptop distribution plan will be rolled out in a staggered approach. Starting this week, one grade level per day will receive their laptops. The laptops **MUST** travel to and from school with the kids each day. The computers are utilized daily in the classroom and should be available if needed, at home. See below for the day in which each grade level will receive their laptops:

January 25th – 5th Grade
January 26th – 4th Grade
January 27th – 3rd Grade
January 28th – 2nd Grade
February 1st – 1st Grade
February 2nd – Kindergarten

Additionally, included with this letter is a parent/student mobile device agreement form. Every family must sign and return this form as soon as possible.

Thank you for your continued support. If you have any questions, I can be reached via email, sjurewicz@csat-k12.org or phone, (716) 876-7505, ext. 1146.

Sincerely,

Susan Jurewicz
Principal, K-5
