1st Annual Volleyball tournament & Basket Raffle

Dear Friends of Charter School for Applied Technologies Sports,

The Girls Varsity Volleyball team is sponsoring a Basket Raffle at our upcoming volleyball tournament to raise funds for the Girls High School volleyball program. We would like to grow our program and give our girls an opportunity to play at the highest possible level. We hope to raise money to help girls go to camps, extra practice time, and have the equipment needed to compete at our high level. To that end, we hope that you can help us reach our goal.

We are asking for donations of goods, services, or gift certificates to include in our Basket Raffle. Any and all donations are greatly appreciated, especially since they come from local community businesses. These donations are tax deductible, and you can use this letter for tax purposes. Additionally, if you would like to provide us with any advertising materials (brochures, flyers, business cards, etc.) we will gladly display them on the day of the Raffle. Goods and services can be raffled independently.

Please also feel free to share this letter with any local business you feel may be interested in participating in the raffle. Gift cards and gift certificates are always welcome donations to the basket raffle! Local merchant donations often earn the most money for our cause!!

All donated items may be sent/dropped off beginning September 1st to the attention Jamee Rinehart or Stacy Murray at the Charter School for Applied Technologies High School at 2245 Kenmore Ave. Buffalo, NY 14207. We are more than happy to pick up any donated item as well, please contact us with a date and time that works for your business hours.

Thank you for your time,

Jamee Rinehart (Varsity Volleyball Coach)
