# h1. APPROVED SCHOOL MISSION (Regents, NYCDOE, and Buffalo BOE authorized schools only)

MISSION STATEMENT

To provide an excellent academic education with skill sets relevant to careers in applied technologies. We will lay a foundation for –

- Industry Partnership
- Family Participation
- Pride and Success through Craftsmanship

# h2. KEY DESIGN ELEMENTS (Regents, NYCDOE, and Buffalo BOE authorized schools only)

KEY DESIGN ELEMENTS (<u>Brief</u> heading followed by a description of each Key Design Elements (KDE). KDEs are those general aspects of the school that are innovative or unique to the school's mission and goals, are core to the school's overall design, and are critical to its success. The design elements may include a specific content area focus; unique student populations to be served; specific educational programs or pedagogical approaches; unique calendar, schedule, or configurations of students and staff; and/or innovative organizational structures and systems.

| Variable 1 | A Focus on Learning - CSAT does not rely on compliance with<br>a specific way of delivering instruction (a focus on teaching)<br>and/or using only a specific set of materials/programs in<br>order to ensure progress. The school relies on analyzing the<br>outcomes (learning) to select a great variety of inputs<br>(teaching). After teams select the essential learning and<br>agree on a common evidence of learning, individual teachers<br>are allowed a great deal of latitude in the delivery of<br>instruction, provided that all techniques and methods are<br>scrutinized once the assessment data is available. In other<br>words, the effective practices are not predetermined but<br>they become evident upon data analysis. |
|------------|---|
| Variable 2 | A School Organized for Every Student's Success - the school<br>is comprised of highly effective same-grade level teams in<br>grades K-6 and subject area teams in grades 7-12 who meet<br>daily and perform as professional learning teams.   |
| Variable 3 | A Better Use of Time - For all grades, the school day is one<br>hour longer than in conventional schools. In addition,<br>students will attend approximately 188 days per school year.<br>A variety of after school activities and academic programs<br>will be offered.  |
| Variable 4 | A Rich and Challenging Curriculum - the curriculum is built<br>around five domains: humanities and the arts, mathematics<br>and science, character and ethics, practical arts and skills,<br>and physical fitness and health. Common Core aligned, high<br>standards of achievement have been developed for each  |

|             | domain.   |
|-------------|---|
| Variable 5  | Professional Development in the Context of the Team Work -<br>following a focus on learning, teachers are empowered to<br>request professional development help at the moment they<br>identify the need rather than being mandated to participate<br>in imposed focus on teaching experiences.  |
| Variable 6  | Assessment that Provides Accountability - student progress<br>is monitored in many ways to help ensure that standards are<br>met. The capacity of teaching teams to engage in deep<br>analysis of achievement data is aided by the use of<br>eDoctrina software which was developed at CSAT.  |
| Variable 7  | A Professional Environment for Teachers - teachers receive<br>the career development resources, responsibilities, and<br>opportunities that talented professionals deserve. They also<br>find the best possible working conditions in an atmosphere<br>that encourages the highest respect. Our most talented<br>teachers work with administrators to design and implement<br>professional development programs, oversee and support<br>the effective induction and development of new teachers.  |
| Variable 8  | A Focus on Applied Technologies - every student and faculty<br>member has the opportunity to apply the latest and most<br>effective technology tools to the work at hand; teaching and<br>learning. As part of the school to career focus, students<br>explore how applied technologies revolutionize and define<br>family sustaining careers such as advanced manufacturing.   |
| Variable 9  | A Partnership with Families - quarterly meetings with<br>teachers give family members an accurate and vivid picture<br>of their child's accomplishments and needs. When<br>developmentally appropriate, these meetings are student<br>directed thus allowing the student a deeper understanding of<br>his/her performance and maximizing family participation. In<br>addition, CSAT strives to become a family friendly school by<br>allowing parents to participate meaningfully in school<br>governance through our Parent Advisory Council (PAC) and<br>by respecting parents as consumers of education. |
| Variable 10 | A School Tailored to the Community - CSAT tailors the<br>instruction program to the interest of the community,<br>especially in areas as New York State, the local economy,<br>career environment, history, and geography. In addition, the<br>school links community service providers with the needs of<br>students and their families.   |

**Entry 4 Expenditures per Child** 

Last updated: 08/01/2018

# CS FOR APPLIED TECHNOLOGIES (REGENTS)Section Heading

#### **Financial Information**

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

# 1. Total Expenditures Per Child

To calculate **'Total Expenditures per Child'** take <u>total expenditures</u> (from the unaudited 2017-18 Schedule of Functional Expenses) and <u>divide by</u> the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: <u>http://www.p12.nysed.gov/psc/AuditGuide.html</u>

| Line 1: Total Expenditures              | 30232903 |
|---|----------|
| Line 2: Year End FTE student enrollment | 2169     |
| Line 3: Divide Line 1 by Line 2         | 13938    |

# 2. Administrative Expenditures per Child

To calculate **'Administrative Expenditures per Child**' To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the <u>relevant portion</u> from the 'personnel services cost' <u>row</u> and the 'management and general' <u>column</u> (from the unaudited 2017-18 Schedule of Functional Expenses)

2. Any contracted administrative/management fee paid to other organizations or corporations

3. Take the total from above and <u>divide</u> it by the year-end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

<u>Administrative Expenditures:</u> Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

#### Notes:

The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: http://www.p12.nysed.gov/psc/AuditGuide.html.

Employee benefit costs or expenditures should not be reported in the above calculations.

#### **INDEPENDENT AUDITORS' REPORT**

The Board of Trustees Charter School for Applied Technologies and Affiliates

We have audited the accompanying consolidated balance sheets of Charter School for Applied Technologies and Affiliates (the Organization) as of June 30, 2018 and 2017, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to consolidated financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2018 and 2017, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Additional Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying additional information as listed in the table of contents, including the schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements.

The accompanying additional information, including the schedule of expenditures of federal awards, is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 30, 2018 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting are reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

#### Notes to Consolidated Financial Statements

#### 1. Summary of Significant Accounting Policies:

#### **Organization:**

The consolidated financial statements of Charter School for Applied Technologies and Affiliates (the Organization) include the accounts of Charter School for Applied Technologies (the School), EST, LLC (the LLC), and eDoctrina Corporation (the Corporation), affiliated entities of which the School is the sole member or stockholder.

The School operates a charter school in Buffalo and Kenmore, New York approved by the Board of Regents of the State of New York. The School offers classes from kindergarten through grade 12. The School is chartered through June 2020, after which time the charter may be renewed, upon application.

The Corporation was formed to serve as a resource to other educational institutions. Income is recorded as other income in the consolidated statements of activities.

EST, LLC was established to provide management services to the School and Corporation. During 2018 and 2017, the LLC had limited activity as management is evaluating the continuance of the LLC.

All significant inter-entity accounts and transactions have been eliminated in the accompanying consolidated financial statements.

#### Subsequent Events:

Management has evaluated events and transactions for potential recognition or disclosure through October 30, 2018, the date the consolidated financial statements were available to be issued.

#### Cash:

Cash in financial institutions potentially subjects the Organization to concentrations of credit risk since it may exceed insured limits at various times throughout the year. The Organization maintains at least \$75,000 in reserve funds to pay legal and audit expenses that would be associated with a dissolution should it occur.

#### **Receivables:**

Receivables are stated at the amounts management expects to collect from outstanding balances. Balances that are still outstanding after reasonable collection efforts are written off through a charge to bad debts expense and a credit to accounts receivable. An allowance for doubtful accounts is considered unnecessary by management because all significant amounts deemed uncollectible are written off each year.

#### **Property and Equipment:**

Property and equipment is stated at cost net of accumulated depreciation. Depreciation is provided using the straight-line method over estimated useful asset lives. Maintenance and repairs are charged to operations as incurred; significant improvements are capitalized.

#### **Investments:**

Investments are stated at fair value as determined by quoted prices in active markets.

#### Grants:

The Organization is the recipient of awards and reimbursements from federal, state, and local sources. The awards and reimbursements are subject to compliance and financial audits by the funding sources. Management believes no significant adjustments are necessary to recognized amounts.

The Organization records grant awards accounted for as exchange transactions as deferred revenue until related services are performed.

#### **Transportation:**

Several school districts provide the School with certain transportation services without cost to the charter school. The value of these services has not been recorded in these financial statements.

In August 2015, the School entered into a 5 year agreement whereby the Buffalo School District will provide student transportation services to city residents previously paid for by the School.

#### **Enrollment Fees:**

The School is reimbursed based on the approved operating expense per pupil of the public school district in which the student resides. The amount received each year from the resident district is the product of the approved operating expense per pupil and the full time equivalent enrollment of the students in the school residing in the district. Approximately 83% of enrollment fees are received annually from the Buffalo School District.

#### **Income Taxes:**

The School is a 501(c)(3) organization exempt from taxation under §501(a) of the Internal Revenue Code. The LLC is considered a disregarded entity for tax purposes. Consequently, all tax reporting for the LLC is consolidated with the activity of the School. The Corporation is taxed as a separate entity; taxable income and recognized income tax expense were not significant for 2018 or 2017.

#### Use of Estimates:

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

#### **Cost Allocation:**

The Organization's costs of providing its various programs and activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### 2. Receivables:

|            | 2018            | 2017            |

In July 2017, all New York State charter schools serving students in the fiscal 2017 school year received additional state aid. The additional aid was based on the number of students served and was paid directly from the New York State Education Department. Additional aid totaling \$887,367 is included as enrollment fees receivable on the accompanying balance sheet as of June 30, 2017. No additional state aid was received for the year ended June 30, 2018.

#### 3. Property and Equipment:

|                               | 2018          | 2017          |

Construction in progress at June 30, 2017 included costs incurred in connection with the School's \$3.4 million school expansion project, most of which was completed by November 2017. The expansion project was financed primarily with the Series 2017 bonds obtained in July 2017 (Note 7).

#### 4. Investments Held in Trust:

The following accounts are held by a trustee in compliance with the issuance of 2005 Series bonds (through June 30, 2017) and 2017 Series bonds (Note 7):

|                           | 2018         | 2017         |

In July 2017, the School entered into an agreement with Buffalo and Erie County Industrial Land Development Corporation to issue \$22,845,000 tax exempt Series 2017A and \$150,000 taxable Series 2017B bonds (the Series 2017B were repaid during fiscal 2018) at a premium of \$1,267,935 to refund the ECIDA Series 2005 Bonds and finance the high school building expansion project (Note 3). The bonds are secured by mortgage and security agreements granting the trustee a mortgage lien on and security interest in real and personal property as well as certain revenues, subject to permitted encumbrances. The bonds are further secured by the reserve fund (Note 4).

Bond discount and premium associated with the issuance of the bonds are amortized as interest expense (or reduction to) on a straight-line basis over the life of the bonds. Unamortized bond discount is presented as a reduction in the face amount of the 2005 Series bonds payable and unamortized bond premium is presented as an addition in the face amount of the 2017 Series bonds payable. Amortization of bond premium and discount amounted to (\$70,441) and \$21,302 for the years ended June 30, 2018 and 2017. Unamortized bond discount totaling \$383,430 from the 2005 Series bonds was expensed during 2018 as part of the bond refinancing arrangement. Debt issuance costs are amortized as interest expense over the remaining term of the bonds. Amortization of bond issuance costs amounted to \$44,773 and \$49,470 for the years ended June 30, 2018 and 2017. Unamortized debt issuance costs from the 2005 Series bonds totaling \$895,315 was expensed during 2018 as part of the bond refinancing arrangement.

Interest expense for the years ended June 30, 2018 and 2017 was \$1,005,814 and \$1,434,842.

Aggregate maturities of net long-term debt subsequent to June 30, 2018 are:

#### 8. Retirement Plans:

The Corporation maintains a defined contribution 401(k) profit sharing plan covering essentially all employees. Employer discretionary contributions to the plan totaled \$54,752 and \$55,266 for the years ended June 30, 2018 and 2017.

The School maintains a 403(b) plan covering qualified employees. The plan does not require employer contributions.

The School participates in the New York State Teachers' Retirement System (TRS) and New York State and Local Employees' Retirement System (ERS) (the Systems), which are cost-sharing multiple employer public employee retirement systems. The Systems offer a wide range of plans and benefits which are related to years of service and final average salary, vesting of retirement benefits, death and disability.

#### New York State Teachers' Retirement System:

TRS is administered by the New York State Teachers' Retirement Board and provides benefits to plan members and beneficiaries as authorized by the Education Law and the Retirement and Social Security Law of the State of New York. TRS issues a publicly available financial report that contains financial statements and required supplementary information. The report may be obtained from TRS at www.nystrs.org.

#### New York State and Local Employees' Retirement System:

ERS provides retirement benefits as well as death and disability benefits. New York State Retirement and Social Security Law governs obligations of employers and employees to contribute and provide benefits to employees. ERS issues a publicly available financial report that includes financial statements and required supplementary information. This report may be obtained from the New York State and Local Retirement System at www.osc.state.ny.us/retire.

#### Funding Policies:

No employee contribution is required for those whose service began prior to July 1976. The Systems require employee contributions of 3% of salary for the first 10 years of service for those employees who joined the System from July 1976 through December 2009. Participants whose service began on or after January 1, 2010 through March 31, 2012 are required to contribute 3% (ERS) or 3.5% (TRS) of compensation throughout their active membership in the Systems. Participants whose service began on or after April 1, 2012 are required to contribute a percentage ranging from 3% to 6% each year, based on their level of compensation.

For ERS, the Comptroller annually certifies the rates used, expressed as a percentage of the wages of participants, to compute the contributions required to be made by the School to the pension accumulation fund. The rates range from 9.3% to 15.8% for 2018 and 9.3% to 15.9% for 2017, dependent on the participant's tier. Required contributions for ERS were \$345,697 and \$313,000 for the years ended June 30, 2018 and 2017.

Pursuant to Article 11 of the Education Law, rates are established annually for TRS by the New York State Teachers' Retirement Board at an actuarially determined rate. The rate is 9.80% of the annual covered payroll as of June 30, 2018, and 11.72% for the year ended June 30, 2017. The required contributions for TRS were \$1,149,984 and \$1,180,618 for the years ended June 30, 2018 and 2017.

#### 9. Lease Obligations:

The Organization leases certain equipment and property under terms of operating leases through July 2034. Rental expense for all operating leases amounted to \$750,943 and \$665,002 for the years ended June 30, 2018 and 2017.

Future minimum annual rentals due under these leases are:

| 2019       | \$ 650,940    |
|------------|---------------|
| 2020       | 668,182       |
| 2021       | 686,649       |
| 2022       | 656,118       |
| 2023       | 665,640       |
| Thereafter | 8,858,097     |
|            | \$ 12,185,626 |

#### 10. Cash Flows Information:

Noncash investing and financing activities excluded from the 2017 statement of cash flows include accounts payable incurred for building expansion costs of \$431,702 at June 30, 2017.

#### 11. Contingencies:

The Organization may be subject to claims and lawsuits that arise in the ordinary course of business. In the opinion of management, the outcome of any claims is not expected to have a material adverse effect upon the financial position of the Organization.

#### Notes to Schedule of Expenditures of Federal Awards

#### 1. Summary of Significant Accounting Policies:

#### **Basis of Presentation**

The accompanying schedule of expenditures of federal awards presents the activity of all federal award programs administered by Charter School for Applied Technologies and Affiliates (the Organization), an entity as defined in Note 1 to the Organization's consolidated financial statements. Federal awards received directly from federal agencies, as well as federal awards passed through from other governmental agencies, are included on the schedule of expenditures of federal awards.

#### **Basis of Accounting**

The amounts reported as federal expenditures generally were obtained from the appropriate federal financial reports for the applicable programs and periods. The amounts reported in these federal financial reports are prepared from records maintained for each program, which are periodically reconciled with the Organization's financial reporting system. The federal expenditures are recorded on an accrual basis.

#### **Indirect Costs**

The Organization does not use the 10% de minimis indirect cost rate permitted by the Uniform Guidance.

#### **Non-Monetary Federal Program**

The Organization is the recipient of a federal award program that does not result in cash receipts or disbursements, termed a "non-monetary program." During the year ended June 30, 2018, the Organization used \$52,269 worth of commodities under the Child Nutrition Discretionary Grants Limited Availability program (CFDA Number 10.579).

#### Transferability

During 2018, the Organization transferred \$169,851 of Title II, Part A - Supporting Effective Instruction State grant program funds to the Title I, Part A - Grants to Local Educational Agencies program and is included with Title I funds (CFDA Number 84.010) in the accompanying schedule of federal awards.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Trustees Charter School for Applied Technologies and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Charter School for Applied Technologies & Affiliates (the Organization), which comprise the consolidated balance sheet as of June 30, 2018, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 30, 2018.

## Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The Board of Trustees Charter School for Applied Technologies and Affiliates

## Report on Compliance for Each Major Federal Program

We have audited Charter School for Applied Technologies and Affiliates' (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2018. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

## Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the Organization's compliance.

#### **Opinion on Each Major Federal Program**

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

#### Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Summary Schedule of Prior Audit Findings

June 30, 2018

CFDA #10.553 School Breakfast Program CFDA #10.555 National School Lunch Program CFDA #10.559 Summer Food Service Program for Children

## Finding 2017-001:

During fiscal 2017-18, the School improved policies and procedures to identify incomplete applications and appropriately address. Further, during fiscal year 2018-19, the School obtained the New York State Community Eligibility Provision, which eliminates the requirement to obtain applications and determine eligibility as all student will receive free meals.

## Finding 2017-002:

During 2017-18, the School properly completed the paid lunch equity calculation. Further, during fiscal year 2018-19, the School obtained the New York State Community Eligibility Provision, which eliminates the requirement to perform such calculation as all student will receive free meals.

## COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

October 30, 2018

The Board of Trustees Charter School for Applied Technologies and Affiliates

We have audited the consolidated financial statements of Charter School for Applied Technologies and Affiliates (the Organization) for the year ended June 30, 2018, and have issued our report thereon. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Accounting Standards*, and the Uniform Guidance, as well as certain information related to the planned scope and timing of our audit. We have communicated such information to you in our engagement letter to you dated September 10, 2018. Professional standards also require we communicate to you the following information related to our audit.

## Significant Audit Findings

## Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Organization are described in Note 1 to the consolidated financial statements. No new accounting policies were adopted, and the application of existing policies was not changed in 2018. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus.

#### Estimates

Accounting estimates are an integral part of the consolidated financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the consolidated financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the consolidated financial statements were:

- Collection of receivables
- Useful lives of property and equipment
- Allocation of expenses by function and program and supporting services classification
- Accrued expenses

Management's estimates of the above are based on firm concepts and reasonable assumptions of future events. We evaluated the key factors and assumptions used to develop the estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

#### Footnote Disclosures

The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. We evaluated all disclosures in relation to the financial statement as a whole, and determined they are reasonable.

#### **Difficulties Encountered in Performing the Audit**

We encountered no significant difficulties in dealing with management in performing and completing our audit.

## Adjustments

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has recorded all such adjustments. Additionally, the adjustments recorded were immaterial, individually and in the aggregated, to the financial statements taken as a whole.

## **Disagreements with Management**

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

## Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 30, 2018.

## Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's consolidated financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

## **Other Audit Findings or Issues**

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

#### **Other Matters**

With respect to the additional information accompanying the consolidated financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the consolidated financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the consolidated financial statements or to the consolidated financial statements themselves.

This information is intended solely for the use of the Board of Trustees and management of the Organization and is not intended to be, and should not be, used by anyone other than these specified parties.

#### MEMO

--YOUR MONEY MARKET ACCOUNT WILL SOON BECOME BUSINESS MONEY MARKET ACCOUNT. As of 11/07/18, your current money market account will become Business Money Market. This money market gives you easy and simplified access to your funds while earning interest. While we will no longer offer your current money market account, rest assured your account number and monthly statement will not change. And by maintaining a \$2,500 minimum daily balance in your account, you can avoid the \$9.99 monthly maintenance fee. Plus you'll enjoy the benefits of online and mobile banking along with check-writing and card access. If your account already has check-writing or card access they will continue to work as usual. Please see the attached insert for more details.

General Instructions and Notes for New Application Budgets and Cash Flows Templates

| 1 | Complete ALL SIX columns in BLUE   |
|---|--|
| 2 | Enter information into the GRAY cells  |
| 3 | Cells containing <b>RED</b> triangles in the upper right corner in columns B through G contain guidance on that particular item  |
| 4 | School district per-pupil tuition information is located on the State Aid website at https://stateaid.nysed.gov/charter/. Rows may be inserted in the worksheet to accomodate additional districts if necessary.   |
| 5 | The Assumptions column should be completed for all revenue and expense items unless the item is self-explanatory. Where applicable, please reference the page number or section in the application narrative that indicates the assumption being made. For instance, student enrollment would reference the applicable page number in Section I, C of the application narrative. |

## Entry 11 Classroom Teacher and Administrator Attrition

Last updated: 08/01/2018

Report changes in teacher and administrator staffing.

Instructions for completing the Classroom Teacher and Administrator Attrition Tables Charter schools must complete the tables titled 2017-2018 Classroom Teacher and Administrator Attrition to report changes in teacher and administrator staffing during the 2017-2018 school year. Please provide the full time equivalent (FTE) of staff on June 30, 2017; the FTE for any departed staff from July 1, 2017 through June 30, 2018; the FTE for added staff from July 1, 2017 through June 30, 2018; and the FTE of staff added in newly created positions from July 1, 2017 through June 30, 2018 using the tables provided.

### 3. Tell your school's story

Charter schools may provide additional information in this section of the Annual Report about their respective teacher and administrator attrition rates as some teacher or administrator departures do not reflect advancement or movement within the charter school networks. Schools may provide additional detail to reflect a teacher's advancement up the ladder to a leadership position within the network or an administrator's movement to lead a new network charter school.

During 2017-2018 the Board of Trustees approved the creation of a CSAT Cabinet to consist of 5 members. This group has been empowered, by the Board of Trustees, to collaboratively provide leadership for the school during 2018-2019.

4. Charter schools must ensure that all prospective employees receive clearance through <u>the NYSED Office of School Personnel Review and Accountability</u> (OSPRA) prior to employment. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

Have all employees have been cleared through the NYSED TEACH system?

Yes

5. For perspective or current employees whose clearance has been denied, have you terminated their employment and removed them from the TEACH system?

Yes

### Thank you
