

Charter School *for* Applied Technologies

BE A CSAT HOLIDAY SPONSOR A FAMILY SUPPORTER

The Charter School for Applied Technologies (CSAT) is seeking sponsors/supporters to assist families in need.

The holidays can be a difficult time for families. Through our Sponsor a Family Program, you can help CSAT students and their families by providing gifts to help brighten their holiday. Supporters will receive a personalized wish list for a family who will significantly benefit from your generosity.

Sponsors are asked to provide new gifts/items for each child ages 0-17. Additionally we are asking that sponsors include a \$50 grocery gift card for a holiday meal.

All sponsored gifts should come unwrapped in a large black (garbage) bag for each child, labeled with the child number and family number.

If you, your family, co-workers or community/civic/church group would like to sponsor a family this holiday season please register today.

REGISTER NOW

For more information, please contact Michael Walter at 716.871.7400 ext. 4106 or mwalter@csat-k12.org
Please note that because gifts are going directly to the families served by CSAT, they will not be tax deductible.
