NATIONAL FUEL SCHOLARSHIP

As part of National Fuel Gas Company Foundation's commitment to recruiting high-quality candidates from across Western New York, who are interested in working within the energy sector, National Fuel will award a four-year scholarship of \$15,000 per year.

As one of the earliest natural gas companies in the U.S. incorporated in 1902, today National Fuel is a diversified energy organization headquartered in Western New York that operates an integrated collection of gas and oil assets. For 120 years, National Fuel has provided a safe, reliable, and affordable source of energy, while contributing to the economic health of the communities where we live and work. Since 2005, after the formation of the National Fuel Gas Company Foundation, the company and its employees have donated more than \$22 million to charitable organizations. National Fuel's partnership with the Buffalo Urban League helps to support its mission of empowering African Americans, other minorities, and disadvantaged individuals to secure economic self-reliance, parity, power, and civil rights. Scholarship recipients will participate in several events at National Fuel's corporate office, including luncheons, tours, shadowing opportunities, and informational sessions. Scholars will be assigned a mentor and are required to reach out twice during the semester to their mentor. In addition to the mentoring program, there will be opportunities for paid internships each year. Scholars will be required to provide a copy of their transcript at the end of each school year.

ELIGIBILITY

To apply for this scholarship, you must be a college-bound senior in good academic standing. You must enroll in college with a major in Construction Management, Information Technology (programming, cyber security, software engineer, etc.), Business Administration and/or Mechanical Engineering.

PERSONAL STATEMENT

If you are interested in having your application forwarded to National Fuel, please provide a separate personal statement. In your personal statement, please explain why you are interested in a Construction Management, Information Technology (programming, cyber security, software engineer, etc.), Business Administration and/or Mechanical Engineering-related career, and describe how your experiences and accomplishments will help you succeed in that career

ESSAY QUESTION

What role has National Fuel played in the Buffalo community? (Minimum of 250 words)

"If you smell gas, leave fast! Then contact National Fuel at 1-800-444-3130 or call 911 from a different location.

Please note that applying for the Buffalo Urban League Scholarship does NOT automatically qualify a student for the National Fuel Scholarship. You must submit the additional documents listed above as requested by National Fuel to be considered.
