

# Charter School for Applied Technologies

---

## Lethality Assessment Process

1. Student reports feelings of self-harm to staff member; staff member notifies school social worker (or FSC social worker if building social worker is unavailable).
2. Building-level social worker interviews student and makes a determination as to whether to administer Columbia-Suicide Severity Rating Scale (C-SSRS).
3. If C-SSRS is completed; Lethality Post-Assessment Report is completed and appropriately followed by attending social worker.
4. Parent/guardian is contacted; Spectrum CARES (716-882-4357) is contacted if needed.
5. Safety Plan is completed upon the student's return to school.
