

Charter School for Applied Technologies

PARENT/ STUDENT MOBILE DEVICE LOANER USER AGREEMENT

Student use of the loaner mobile device falls under the Charter School for Applied Technologies (CSAT) Code of Conduct, Computer Acceptable Use Agreement and the Mobile Device Acceptable Use Agreement. Internet and Mobile Device use will be monitored through District-level management software, and its use should be limited to that which is appropriate and for the purposes of completing CSAT Coursework. Anyone found violating the CSAT Policies, including those listed below, will be subject to disciplinary actions and removal of user privileges.

PARENT/GUARDIAN AGREEMENT:

- I understand that this Mobile Device is a CSAT temporarily loaned device designated for educational purposes and, therefore, inappropriate actions may result in the suspension or removal of the student's Mobile Device privileges.
- I assume financial responsibility and understand that I can be billed up to the full replacement costs as listed below should my child be found responsible for a lost, stolen, or an intentionally damaged Mobile Device, Case, or Charger. In the event of any accidental damage, CSAT will make every effort to repair the mobile device or accessories and only bill for the replacement part. Normal failures do not incur any charge and a replacement will be provided. CSAT will work with the parent/guardian to come up with the best agreeable solution before any billing occurs.
 - **Mobile Device Replacement: \$350**
 - **Case Replacement: \$25**
 - **Charger Replacement: \$50**
- If a device is lost or stolen while in possession off school grounds, the parent/guardian agrees to file a police report to be submitted to CSAT for further investigation. If lost or stolen while on CSAT grounds, it must be reported to the school administrator who will then file a police report on behalf of the school. All reports are subject to an investigation.
- I understand that the Mobile Device and any accessories are property of CSAT and all content stored on the Device is subject to review at anytime.
- I understand that the Mobile Device will need to be returned upon CSAT's request, student withdrawal, failure to return to school, graduation or other circumstances requiring the return of the device at CSAT's determination. Failure to return the device will result in an invoice being sent for the full value of the replacement cost.
