Welcome 5th Grade Scholars! My name is Ms. Jones, and I am going to be your teacher this year! 5th grade will be filled with learning, growing, and exciting challenges! Each day you will learn new skills and strategies that will help create you into a lifelong learner! I truly am ecstatic to meet you!

I have been an educator for 16 years! I am a graduate of both Buffalo State College and Medaille University. I am a mom to six year old twins! They love learning and school just as much as you!

2022-2023

Dear Parents and Guardians,

I am so fortunate to be part of the CSAT family! I am even more excited to have the opportunity to help your child learn, grow, and thrive this upcoming school year. Communication between teachers, families, students, and the school is key to having a successful year. I will use the school's digital platform for quick communication between families and myself. You will also be able to view the learning taking place in our classroom by enjoying pictures, and seeing your child's own work. Invitation links will be sent home with your child the first day of school.

Here are a few tips to help us all be successful!

- I will be wearing a BIG smile to greet your child the first day of school (and every day after) outside the classroom!
- Please send in a snack with your child each day for them to enjoy!
- Please have your child in proper dress code each day! You can get all your uniforms at the Family Support Center.
- Please make sure your child knows how they are getting home from school. Please send in a note if your child is walking home, or being picked up. Please be sure your child knows their bus number. SAFETY is priority!

Enjoy the summer! See you in September!

Your Teacher,

Ms. Jones
